Hi Mr. Merrill:

Attached is the CD cover letter to accompany the original CD for Mr. Holt's Quartz Hill mine site.

Please sign and have Mr. Holt sign, then return the original CD, the original signed CD cover letter and the Bank's letter stating they have placed an "administrative hold" on the CD so it cannot be cashed without DOGM authorization. When we receive the originals back, we will simply replace page one of the CD cover letter with Division letterhead. Nothing else will be changed.

Thank you for your help.

Joelle Burns
